

The Division of Animal Welfare seeks to fill the following position (initially limited to 2 years):

Assistent of 3R Coordinator (50%)

We are looking for a candidate with experience and expertise in laboratory animal science, 3Rs, and animal welfare to assist the 3R coordinator of the University of Bern (Prof. Hanno Würbel). The position is part of the national 3R Competence Centre (3RCC, www.swiss3rcc.org) and serves to implement the 3R strategy of the 3RCC within the University of Bern.

Tasks

- Assisting the implementation of the 3R strategy of the 3RCC within the University of Bern
- Representing the 3R coordinator at meetings of the 3RCC Executive Board
- Exchange of information with the 3R coordinators of the other 3RCC member institutions
- Promoting 3R activities in teaching, research and services at the University of Bern
- Establishing a 3R network at the University of Bern

Requirements

- University degree in relevant science (biology, veterinary or animal science)
- Expertise in animal experimentation, laboratory animal science, 3Rs, and animal welfare
- Good command of spoken and written German and English

We offer

- A challenging and diverse job with a high degree of personal responsibility in an exciting and publicly relevant area
- Attractive working conditions
- Attractive workplace at the University of Bern
- Start date is January 1st, 2019 (negotiable)

Application

- Deadline is December 20th, 2018
- Please send your application with a letter of intent, a complete CV and relevant certificates (all together in one single pdf-document) via email to: hanno.wuerbel@vetsuisse.unibe.ch
